

**AMERICAN ACADEMY OF PAIN MANAGEMENT**

# **Information Sheet**

## **Endorsement Policy**

The American Academy of Pain Management does not endorse products that the American Academy of Pain Management does not own. At present we do not endorse any products. The American Academy of Pain Management focuses on Multidisciplinary Pain Management information, education, and credentialing. It does not use its resources to test, verify, or otherwise prove the effectiveness or viability of Medical Hardware, Medical Software, Holistic Products, Pain Medicines, or Pharmaceuticals. Therefore, the American Academy of Pain Management makes no statement, either positive or negative, concerning any product.

The use of the American Academy of Pain Management Corporate or Corporate Affiliate Logo in association with any product is not authorized.
